ABSTRACT

This CD-ROM describes how science can be used in schools to show that students can be excited and engaged in science and how science can be integrated into other disciplines. Science Year is a 12-month packed calendar of events, projects and resources, designed to stimulate the imagination about science and technology. Activities include the following: (1) Passport; (2) Flesh Eaters; (3) Race; (4) Inside Body; (5) Perfumes; and (6) Top Science. (YDS)
